ORIGINAL

We are still having issues with the recycling trailer in Bairoil. Recently there were potatoes, carrot, and apple peels in the container inside the trailer. **This is not a compost pile!**
A second notice has been sent out the Bairoil Residents.

Old Business:

Dumpster Issue in Wamsutter-Gary Waldner/Ben Carter. The issue with trash overflow at Wamsutter housing units where the Love's employees live seem to have resolved itself by adding another dumpster also the guys are dumping every week.

Skid Steer at Transfer Site- The employees have been having to jump start the skid steer every time they go to use it. Sue Rigano called Terry Stone discussing the problem. He said there could be (2) fixes for this issue. (1) was disconnect the radio if that did not solve the problem then (2) you could add a kill switch that you turn off after each use. Mr. Stone disconnected the radio, that seems to have resolved the issue for now.
